28th ANNUAL DEPOT DAYS CAR, TRUCK & MOTORCYCLE SHOW

August 26, 2018

PLEASE READ THIS LETTER—THERE ARE LOTS OF CHANGES PLANNED FOR OUR 28TH SHOW!

It's time for some changes! We hope that 2018 will be your best experience with the Depot Days Car Show yet. What's new? We will try to put the changes in order:

1. Every participant will pay at the gate—this year's fee is \$10. All participants must be present by 11 am to get parked, get judged, and get awards in a timely way. The gate will close at 11 am; the earlier you arrive, the easier it is to get parked, registered, etc.

2. **Participants are strongly encouraged to preregister** but they will **NOT** pay when they send in their information. Preregistrants will pay \$10 at the gate, BUT WHEN THEY PICK UP THEIR DASH CARD, ETC., THEY WILL GET \$5 WORTH of 50/50 tickets (6 tickets). You will also receive the usual postcard about 7-10 days before the show to verify your preregistration. Please bring the card to the registration tent when you come.

3. Vehicles will be parked as they arrive (not in classes as in the past). If you wish to park next to friends, that is fine. You **MUST ARRIVE TOGETHER TO PARK TOGETHER.**

4. All participants will need to go to the registration tent. Each participant will register and sign the usual waiver form. Then YOU WILL RECEIVE YOUR JUDGING SHEET. (This is NEW!) You will TAKE THE JUDGING SHEET BACK TO YOUR VEHICLE and put it under your wipers, or, in the possibility of rain, on the dashboard or the driver's seat. It must be in plain sight so, when the judges arrive, they can use your judging sheet. The judges will then judge your vehicle and they will keep the judging sheet so that it can be totaled for results.

5. Though you will not be parked in classes, you will need to designate what class your vehicle is in. The class descriptions are the same as in 2017. The enclosed information provides a class list.

6. Also at registration, preregistered people will get their dash cards, dash plaques, and participant voting ballots. People registering on 8/26 will need to fill out their dash cards, and they will also receive dash plaques and participant voting ballots. We will also ask for your cell phone number, if you have one. Please give it to us. We will not share this with anyone, but it is occasionally necessary for us to reach you to ask a question, find your vehicle, etc.

7. You will still be judged by the class that you register your vehicle in (same as before). As before, you will be judged by the criteria appropriate to your class.

8. A team of 2 judges will judge your vehicle. They will take your judging sheet when they have finished, so that it can be collated with other judging sheets from your class to determine trophy winners, etc. If you wish to have your judging sheet mailed to you after the show, you can make those arrangements when you register.

9. Each class will be awarded 3 trophies, as usual, unless the class has more than 20 vehicles, when there will be a 4th place trophy, also.

10. THE 50/50 DRAWING HAS CHANGED TOO!! We hope that the big prize will be bigger than ever. In addition, on August 26, there will be 4 MORE WINNERS—there will be four 2nd place prizes of \$5,000 each.

11. For friends and family who are coming to the show, but not exhibiting, the trolley will be convenient. There will be signs at the north end of Amboy directing cars to the Amboy High School parking lot and the Amboy Community Building lot. The trolley will stop at both spots.

12. The International Auto Sound Challenge Association (IASCA) will host a competition during the show. Their vehicles will also enter through the main gate. They will be competing on West Main Street near Amboy Junior High School.

Many more details are included on the pink sheet that accompanies this letter. Please take a look and join us for the whole weekend! Please come and bring your friends. We look forward to seeing you Aug. 26, 2018 for the 28th Annual Show!
